Dear Dr. Gao:

Thank you very much for your recent letter concerning Western alienation and the Charlottetown Accord. I appreciate your having taken the time to contact me.

Once I cease to be Leader of the PC Party, I am hoping to have more time to adequately reflect upon that period of our collective history and perhaps, at some point in the future, I will put pen to paper and write my memoirs. Until then, however, I must deal with the present and as such, unfortunately, I am not be able to meet with you to discuss the issues you have raised.

Sincerely,

Joe Clark
