

Dec 7/92 - Res. Note

- 5/6 c. Dr. Chapman

- wks: Felt over sedated in late afternoon, early evening.

: No EPS

: Because of sedation, was refusing needs briefly but did comply <sup>po</sup> when given IM option

: Fixing letter to Kim Campbell, delusions of persecution by 'political higher powers' and the government' involved in conspiracy to keep him here.

- Today: Pleasant, no evidence of over sedation

: Delusions of persecution remain.

: Denies violent impulses, or elopement ideas

Diagn: Remains Delusional

Plan: ↓ Conception

Try on level III (warrant issued if elope re-iterated)

P. Allen (RVT)
