Aug 8-B-Blair - Has an appt Thurs noon w/ Dr Marcus.
He denied getting the message from SMTT. He
was at Sooke yesterday. He says they refused
to see him.
Blair spoke to Frank Parsons.

Frank - SMTT - Had a part-time temporary
position as a computer scientist @ UBC. ^(Assoc.) Prof.
When the permanent position became available
he applied but didn't get it. He believes that
Mulroney & UBC have conspired against him.
Frank doesn't feel that the team needs to be
involved if they see Dr Marcus.

Left a message for Mr Chapman.
Place Phillips PC

Mr Chapman - will not see him on an outpatient basis. She will treat him if admitted to UBC.

Admitted to hospital in UBC (sector 24) was in until mid Jan + released by the Review Panel.

Admitted in April for 3-4 weeks.

Asked Mr C for outpatient treatment. Agreed conditionally - no visits to men's + women's mds. He agreed. She wrote a letter stating that he could work. He refused to ask his \$ family for \$. He was again in early so she told him that she wouldn't be able to treat him. He knocked on her door while she was a another ct + approached her on the ward for several days in a row. Last time he had to be removed by security as he refused to leave.

Mave Phillips - Dr. Maria Klaue (Okanagan Max Computer Science - 822-3064. She won't be in until Thursday. Left a message.

FOS - Marc - Kelly Lynn - nurse - Will have her call me after she returns on Tuesday.

Mr Marcus - says that ~~he~~ he tried his best + failed. His willing to try again in a couple of months if Texy agrees but doesn't feel that he can be effective now.

Left a message for Fred Hitchcock (83-038)
