

16 Dec 93 - Fred - Doesn't want another CC.
He says that they have a plan & want an
opportunity to implement it before ~~they~~ we
have another CC. Tell Jack to liaise -
get back to me.

17 Dec 93 - Called Fred as I have 4 of Mr
Kerr's app't dates reserved & promised I
would confirm one date today - he has
arranged his own CC with Blase, Tely,
Mr Kerr & Has Metz for the 29th of Dec.
He was quite short. When asked if he
wanted the M&N to close the file he went
through the oration again but didn't answer
the question. His tone was very more
clipped than previously known.

Liai - She's satisfied that they will meet
on the 29th. She was angry that I wasn't
participating in my usual capacity &
wanted me to attend anyway. Unfortunately
it'll be a holiday.

20 Dec 93 - Major Munley - Cross Bros -
Recommends that UBC consider a civil
restraining order if a criminal order
isn't possible.

Please Woodhouse informed.

2 Feb 94 - With approval of the
ST - file closed.
