

30 December 1993
F. Hitchcock/an

Mr. Gao reported in person as scheduled. He states that though he appreciates the offer from Nancy Carroll, Outreach Probation Officer to assist in volunteer work or possible employment with School Board contracts - he is not interested - at this time to accept her assistance. We have concerns (as discussed with Mr. Gao) as to his obsession with his forthcoming trials and his reluctance to become involved with other areas of his life. He states he only has contact with his Aunt, Sally Lee and her husband and his mother who is on a visitor's permit until June 30/94. I advised him that Micro-Soft Computer Inc. is seeking qualified employees.

Mr. Gao's next court appearance for trials are:

February 11, 1994	VPCT.	Harassment
February 23, 1994	VPCT	Mischief x 3

His next appointment with Fred Hitchcock and Randy Watts is January 05, 1994 at 1500 hrs. Katherine Au, Job Placement Counsellor will also give Ms. Au feedback from his employment skills testing at this meeting December 31, 1993.

Mr. Gao telephoned F. Hitchcock 3 times on December 31, 1993 (when F. Hitchcock was not present) and when F. Hitchcock reached Mr. Gao that afternoon, Mr. Gao stated he had changed his mind and now wanted to accept the assistance of Nancy Carroll.

Mr. Gao reported as scheduled to Fred Hitchcock and Randy Watts and he also met with Katherine Au, Job Placement Counsellor. Katherine gave Feng his test results which as expected showed that he was interested in scientific and computer/communication work but wanted to work alone and be completely analytical. Katherine offered Feng volunteer work assisting in a research study - but he wasn't interested. He states he wants to use his time seeking paid employment.
